

## DEMI LONG KNIFE SPADE

# Skid Steer Attachment

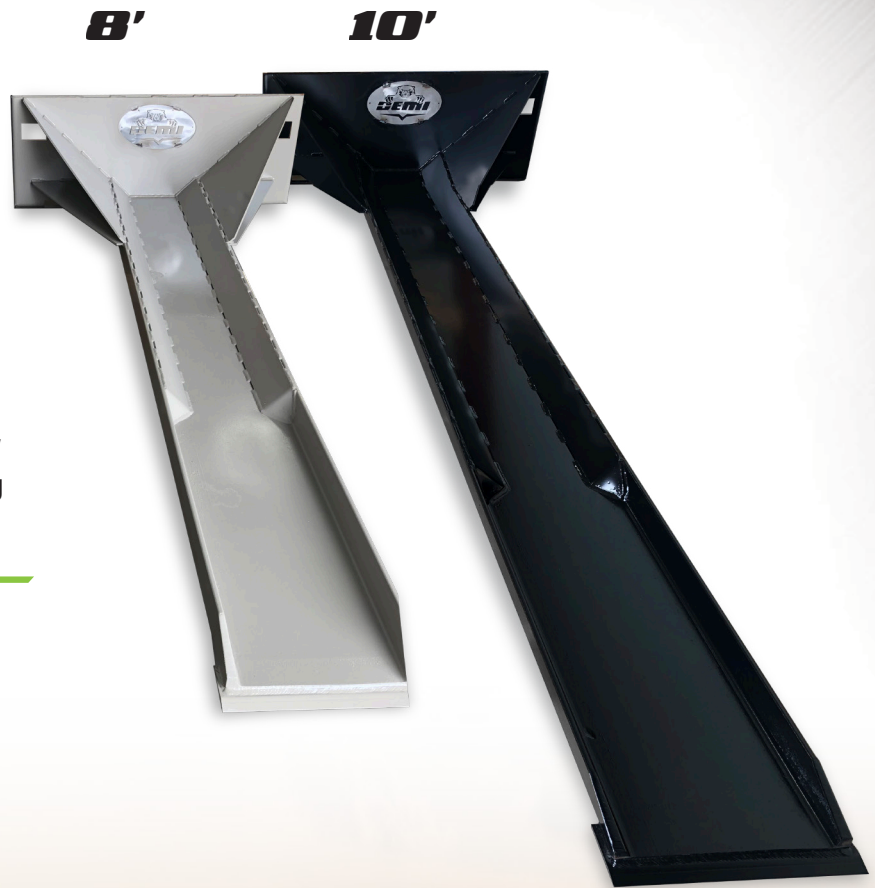

**ELIMINATE MANUAL SHOVELING  
IN HARD TO REACH AREAS**

Keep your worksite free of excessive material buildup without traditional back-breaking labor or slowing down production. The one-of-a-kind DEMI Long Knife Spade was created to turn your skid steer into a heavy duty shovel. You'll be able to easily and safely free areas of excessive material buildup, eliminating premature damage and unnecessary productivity losses.
